WELCOME TO

The Golf Club of Oklahoma

When people think of The Golf Club of Oklahoma, the first thing that comes to mind is world class private golf, and rightfully so. Architect Tom Fazio has crafted 18 unique holes through beautiful hardwood forest and lush rolling terrain to create a combination of golf and nature that is nothing short of divine.

“Of all the projects I have been involved with over the years, I truly believe The Golf Club of Oklahoma is one of the very finest. My experiences there will last a lifetime.”

– Tom Fazio, Golf Course Architect

The Golf Club of Oklahoma redefines the private golf club experience by blending the time-honored traditions of golf with modern, upscale conveniences. From our championship golf course, clubhouse, tennis courts and pool, to our guest cottages and banquet amenities, we offer a luxurious oasis for recreation and relaxation.

“What a stunning piece of property. The golf course is outstanding and I truly feel we have the best staff taking exceptional care of us! Every time I drive through the gate I shake my head in amazement that I have the privilege of being a member of the Golf Club of Oklahoma!”

– Michael U., Member since 2015

GOLF AS IT SHOULD BE

The Golf Club of Oklahoma was designed as an escape from the hustle and bustle of the city, for a relaxing retreat into nature and experiencing golf as it should be.

A 12-month search led Tom Fazio to 525 acres of untouched beauty in northeastern Oklahoma where he sent his par-72, 7,183-yard creation sprawling over nearly twice the area required for a traditional 18-hole course. His true genius can be seen in the way he used the land's natural assets – towering oaks and existing bodies of water – to test even the consummate player. No skyline breaks through the trees. No development lines the fairways.

By design, this could be the most private course you've ever played.

“
My country club experience began as a child 60 years ago with my parents. The Golf Club of Oklahoma is by far the best I have experienced with professional management and staff, a great golf course with fast pace of play and no tee times required. I have made numerous friends for life and also great business contacts. Strongly recommend that you look at our club.
